PRIMARY OBJECTIVE AND PURPOSE

The primary objective and purpose of New Life Christian School is to train the student in the knowledge of God and the Christian way of life and to provide each student with a solid foundation in academics. The teachers of New Life Christian School realize the solemn responsibility before God in molding the life and character of each of their students in order to give a good foundation for each child's future. The administration and faculty demonstrate a caring concern for each child under their care. New Life Christian School operates not-for-profit.

MISSION STATEMENT

New Life Christian School exists to educate and empower students for ministry and life.

STATEMENT OF FAITH

We believe the Bible to be the inspired and inerrant Word of God. We believe in the virgin birth of Jesus Christ, his substituting death for our sins, and his bodily resurrection and ascension into heaven.

We believe in the plan of salvation which is repentance, baptism in water by immersion in the name of the Lord Jesus Christ, and the infilling of the Holy Spirit with the initial sign of speaking with other tongues as the Spirit gives utterance.

We believe in the Second Coming of Jesus Christ and eternal life with Christ for all believers.

We believe in godly living and active participation in a local church of believers.

TRUTH * INTELLECT * POTENTIAL

truth. - Scripture is the revealed Word of God and is taught as truth, and that truth is integrated into the learning experience.

intellect. - The Christian mind should be the best mind, enlightened by the mind of Christ and having integrated God's principles with academic pursuits. The aim is to develop students with a biblical worldview who are well prepared academically.

potential. - Every learning experience aims to engage students toward their full potential in Jesus Christ.

We at NLCS believe the balance of a student living an overcoming life can be dramatically affected by the distinctive offered in Christian Education. We have the God-given advantage to "TIP" the scales in our favor. Everything we do can and should be checked against our motto... **truth, intellect, and potential.** "Tipping" the student toward Christ is our goal, and revealing His worldview to our students our aspiration.

EDUCATIONAL PROGRAMS

Kindergarten

The Kindergarten curriculum is so designed that the child's "wiggles" actually help him learn. Kindergartners use a 100 percent *A Beka Book* curriculum.

The program introduces the letters of the alphabet and their corresponding sounds and then the exciting discovery that by putting the sounds together one comes up with words to read. The child is provided the privilege of learning to read without pressure.

Also included in the curriculum is learning the numbers and their formation. Counting and adding these fascinating numbers together using a variety of different objects and even singing through the process makes the learning experience fun as well as educational.

Art time provides a time of developing those motor skills used in coloring, cutting, and pasting. The child delights in discovering the world around him in the beautifully illustrated science book.

The highlight of each day is Bible Time. Included are Bible stories and scripture memorization.

Students must be 5 years old by August 1 of the current year to enroll. However, students who will attain the age of 5 by August 31 of the current year and who attain a high score on the entrance test are also eligible. Parents should submit a copy of the child's birth certificate with the enrollment form.

For the first grading period, all students are given "C's". The student will receive a "C+" if he/she is doing very well in that subject area; a "C" if the student is doing average; and a "C-" if the student is doing below what is expected at that time. This gives children time to acclimate to the classroom. Successive grading periods follow the regular grading system.

Elementary (1-5) *A Beka Book* Curriculum

The primary school curriculum is designed to give a skill-oriented foundation on which to build future academics. Reading, arithmetic, phonics, and writing are stressed.

Phonics is the foundation of the reading program. Colorfully illustrated Christian readers encourage character and moral development. Reading for comprehension is emphasized.

Arithmetic is presented as a logical process. The elementary program emphasizes drill and "thinking your way through a problem." At the end of second grade a child has met the challenge of regrouping in addition and subtraction and can use multiplication and division tables 2, 3, 4, and 5. Third graders learn multiplication and division tables up to 12.

Bible curriculum and scripture memorization are a part of each day's activity.

Junior High-High School (6-12) Alpha Omega (Ignitia)

The Alpha Omega Ignitia curriculum has won numerous awards and is a complete, Bible-based curriculum. Multimedia, internal messaging, automatic grading, record keeping, and immediate feedback are just a few of the features that make it one of a kind. Ignitia includes studies in five core subjects – Bible, History and Geography, Language Arts, Math, and Science – and a variety of electives.

The program's modularity and review and assessment of key concepts require students to demonstrate successful attainment of objectives before proceeding onward– traditional mastery learning! Built-in diagnostic and assessment

tools tied to performance objectives guide NLCS through individualizing the curriculum and facilitating mastery for each student.

In the Alpha Omega Ignitia curriculum, students are assigned an individualized program prescribed for their learning ability and achievement.

Since such instruction is private, the student is encouraged to ask any basic question he might normally be embarrassed to voice in front of the class. The results are a greater academic openness and readiness to learn on the part of the student.

In the Learning Center, students are busy working through the curriculum at their own speed using a personalized computer. This arrangement permits a student to work steadily through the curriculum. If he comes to a problem he cannot solve through the multimedia instructions, he calls on a teacher for assistance. The teacher then carefully works with the student until mastery is attained.

High School (9-12) *A Beka* Academy Streaming Courses

Algebra I, Algebra II, Precalculus, Chemistry, Physics, and Spanish I will supplement the Ignitia curriculum for the 2016-2017 school year. These courses will be provided by pre-recorded *A Beka* Academy streaming classes. All teachers hold Master Degrees in the subjects they teach. These subjects will be taught in a traditional classroom format with an NLCS facilitator.

WEEKLY CHAPEL SERVICE

NLCS holds weekly Chapel services alternating between K-5th and 6th -12th grades. We believe this to be an important aspect of our spiritual growth. We utilize speakers from local United Pentecostal Churches as well as our organizational headquarters, the World Evangelism Center, in Hazelwood, MO. Our students will become actively involved in music, worship and prayer. Parents who are interested in the Apostolic Pentecostal faith are welcome to enroll in our Discipleship class offered by New Life Center.

STANDARDS OF CONDUCT

Students of NLCS are expected to refrain from talking about or engaging in cheating, swearing, smoking, gambling, rock music, dancing, immorality, drinking alcoholic beverages and using or talking about narcotics. Students who participate in such activities are subject to suspension. Students are expected to act in an orderly and respectful manner, maintaining Christian standards in courtesy, kindness, language, morality and honesty. Students **must** agree to strive toward unquestionable character in dress, conduct and attitude.

ADMISSIONS POLICY

Any child who will be in grades Kindergarten through 12th grade may apply. However, NLCS recognizes that it cannot meet the educational needs of all children. It is a school offering a high quality of Christian training, but it is not designed to be a correctional institution for problems arising beyond those usually encountered in average school children nor designed to service students needing special education services.

ENROLLMENT PROCEDURES

The following items are required before the admissions process can begin:

- Enrollment Form
- Enrollment Fee (non-refundable)
- Copy of the latest report card
- Copy of Birth Certificate
- Student Health & Immunization Form

FINANCES

Enrollment Fee: This must be paid at the time of registration. This is a non-refundable and non-transferable fee.

Making Payments: New Life Christian School has authorized **FACTS Management Company** as its agent for the collection of tuition and fees. Please refer to the Terms and Conditions as stated in your Tuition Payment Agreement. **NOTE:** Students attending one or more days of any quarter will be charged the full tuition for each month in that quarter.

Payment Options: **1. Annual Payment** - This payment is made in one lump sum due July 31st.

2. 10 Month Plan - This is processed through FACTS. It is the applicable tuition rate & fees divided by ten and includes a monthly processing fee. Payment begins in August and ends in May. This is debited from a checking or savings account. A credit card option (MasterCard, American Express or Discover) is available, but incurs a 2.5% monthly assessment to FACTS.

3. 12 Month Plan - This is processed through FACTS. It is the applicable tuition rate & fees divided by twelve and includes a monthly processing fee. Payment begins in August and ends in July. This is debited from a checking or savings account. A credit card option (MasterCard, American Express or Discover) is available, but incurs a 2.5% monthly assessment to FACTS.

NEW LIFE CHRISTIAN SCHOOL WILL NOT ACCEPT PAYMENTS IN THE SCHOOL OFFICE FOR TUITION AND/OR FEES. ALL PAYMENTS SHOULD BE SENT BY THE RESPONSIBLE PARTY TO FACTS.

IMPORTANT: Students whose account shows a balance of more than one month's tuition may be dismissed. Students whose account shows a balance of more than one month's tuition may not participate in the end of year activities.

FEES

A.C.T.S. Student Convention (High School): Covers the cost of lodging, food, transportation and participation in the Carlinville Student Leadership Convention.

Administration: NLCS administrative office general supplies.

Art Supplies: Art supplies used for classroom activities.

Classroom: Used to purchase books, toys and other classroom items to enhance the educational programs (dictionaries, World Atlas, encyclopedias, Biblical Commentary, etc.)

Computer: Consists of computer hardware, software, upgrades, etc.

Computer Usage Fee: 6-12 Ignitia computer usage.

***Curriculum:** A Beka, Alpha Omega, Bob Jones Press as applicable to the student.

Duplicating: For duplicating tests and class work when needed for each student.

FACTS Enrollment: For tuition management.

High School Graduation: Materials purchased to make High School Graduation possible; Caps, Gowns, Tassels, Programs, etc. **NOTE:** The charge for items such as invitations and senior pictures are not included in this fee.

Insurance: This will ensure coverage of medical costs for injuries your child may acquire while at school. This policy is secondary to your personal insurance

Kindergarten Graduation: Materials purchased to make Kindergarten Graduation possible. Caps, Gowns, Tassels, Programs, Decor, etc.

Kindergarten Snack: Kindergarten students are given a daily mid-morning snack.

Lunch: Condiments and paper products/utensils for brown bag lunches.

Testing: School wide achievement testing for grades K-11.

Tuition: Required for the operation of NLCS to supply instructors for those seeking Christian Education.

These fees are added together and processed through the monthly FACTS Management system.

* Those wishing to pay for the Curriculum charge in one lump sum may do so no later than August 26.

MANDATORY FUNDRAISING

Why Mandatory Fundraising?

Mandatory fundraising at NLCS is a means of keeping tuition costs at a minimum. Throughout each year we have several fundraising events to give you the opportunity to meet your family goal. Fundraising also encourages families to become involved in their children's activities and get you involved with other members of your school community, which creates a stronger family.

Where does the Mandatory Fundraising Money go?

All proceeds for the school fundraising go to the school and assist with the operational expenses of the school and to help keep tuition costs down.

What is the family requirement?

There is a required \$400.00/one child or \$800/two or more children per year fundraising commitment for each family attending New Life Christian School. One-half of the fundraising fee must be met by the end of the first semester. **First semester balance will be billed out in February.** The second half must be met by the end of the last fundraiser. **Second semester balance will be billed out in June.** Amounts raised over the required yearly fee cannot roll-over to the next school year. Fundraising proceeds are non-transferrable.

Families are given the option to spread their Mandatory Fundraising over the term of their payment plan.

Example: 1 Child = \$400, \$40 per month for 10 months. Fees are non-refundable/non-transferable. Any fundraising amounts received while on the payment plan will not be credited to your account. If you wish to use this option, notification to the office must be made by July 31.

UNIFORM/DRESS and APPEARANCE CODE

A. Uniform/Dress Code

Infractions of dress code guidelines include the failure to wear one component of the uniform. For first infraction of the uniform code, students will receive a verbal warning from teacher/staff. For second infraction, students are given a yellow Uniform Violation slip, which must be signed by parent and returned to teacher the following day. A pink Uniform Violation slip is sent home for the third infraction. Any infraction after two written warnings will result in the student being sent to the office until the proper uniform can be brought to him/her.

NOTE: The administration reserves the right to adjust this policy should it be ineffective in addressing uniform violations or should an extreme violation of dress code occur.

When students are granted permission to come in non-uniform clothing, it must meet the requirements of our dress standard in the following areas:

1. Dresses or Skirts (to the bottom of knee cap when standing or sitting)
2. Shirts (sleeves need to be at least uniform length, no cap sleeves, any writing or emblems must not be offensive or in opposition to Biblical principles)
3. Boys Pants (long pants which are not extremely baggy).

B. Appearance

1. No cosmetics, which alter natural appearance, such as eye shadow, fingernail polish, lipstick, etc.
2. No jewelry. One ring (*class ring or purity*) and must be of conservative styling.
3. Boys' hairstyle must be a standard, conservative cut; off the collar and ears; face must be clean-shaven.
4. Hats are not to be worn in the building
5. No altering of natural hair color. Student's arriving with colored hair will be sent home until natural color is restored.

Administration reserves the right to determine if dress or appearance is acceptable. If found unacceptable, it is expected that the needed change will be made before the student is allowed to return.

LUNCH PROGRAM

Hot lunch is available for \$3.50 per student. Students in 4-12 grades, who order an extra entrée, will be charged \$1.00. Milk or juice can be purchased separately for sack lunches. Carton of milk or juice is \$.40. Soda and snack machines are also available for student use.

A menu will be made available online to all parents on a monthly basis. Please check your class and personal schedules before placing orders. You have the ability to log-in within 48 hours of the lunch purchased to change or remove it for "Store Credit" toward your next order. Any meal not removed or changed within the 48 hours cannot be changed or removed and cannot be refunded. The link to the NLCS lunch program is provided from the school website at www.newlifeschool.com.

EMERGENCY LUNCH PROCEDURES

An E-lunch consists of whatever is on the menu for that day. If your child arrives to school without a lunch or if one has not been purchased on line, he/she will automatically be charged \$5 for an E-Lunch (due by the following school day). A 2nd E-lunch cannot be purchased until the 1st one is paid. If you are planning to bring them a lunch to school, it must be dropped off at the school office no later than 9:30. Lunch brought in after 9:30 must have preapproval from the office to avoid an E-Lunch charge.

EXTENDED CARE (Before and After-School Care, K-12)

If a student arrives on campus more than 15 minutes before school starts or remains on campus or more than 15 minutes after school ends, they must report to *Extended Care*. Our rate is \$3.60 per hour, although we do charge by the quarter-hour (\$.90 per quarter-hour). Our Extended-Care begins at 6:30 A.M. and ends at 5:30 P.M. There is a \$1.00/minute per student charge assessed for anyone not picked up promptly at 5:30 P.M. Students involved in

after-school music lessons without a parent present will incur *After Care* charges. Students serving an after-school detention will incur *After Care* charges.

Before & After- School Care is located in the lunchroom. For Before-School Care, please enter from the east side entrance (green canopy). The lunchroom entrance on the west side will be locked for security purposes and is not used for dropping off or picking up. Extended Care is not available on holidays or school closings and/or early dismissal.

All parents are required to complete the Extended Care Form for their child(ren) and sign-up on-line even if no intentions exist to use the service. This form is kept by the Extended Care staff and contains important information the staff needs to have access to should your child ever use Extended Care. **All** students that arrive prior to 8:15 or not picked up by 3:45 must report to Extended Care. The Extended Care staff can be reached by phone during extended care hours at **314-220-3172**. Children will not be permitted to leave school property by phone call. Parents or those on the approved pick-up list must be present upon pick-up.

SCHOOL DAILY SCHEDULE

For all grades, the school day begins at 8:30 A.M and ends at 3:30 P.M. (For elementary parents, it is best to leave the child with the teacher on the first day of school. When the parent remains in the classroom, it makes the period of adjustment more difficult for both the child and the teacher). Classrooms will open at 8:15 A.M. If a student arrives on campus prior to 8:15 A.M., they must report to **Before-School Care**. If a student remains on campus after 3:45 P.M., they must report to **After- School Care**.

HOMEWORK

Believing that homework is an integral part of the school program, each teacher is at liberty to give homework to aid the students in the advancement of their studies. Therefore, each student is required to complete his/her homework assignments on time. Homework is given for several reasons:

1. For reinforcement: We believe that most students require adequate review to master essentials in their educational process.
2. For practice: Following classroom explanation, illustration, and review of new work homework is given so that the material may be mastered.
3. For remedial activity: As instruction progresses, various weak points in a student's grasp of a subject become evident. Homework following instruction is given to overcome such difficulties.
4. For special projects: Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

We do request the parents' full cooperation in seeing that assignments are completed. Failure to complete homework will affect the student's daily grade.

REPORT CARDS

K-12 grades will receive Report Cards at the end of each nine weeks. These Report Cards are due back the next school day, with the parent's signature. There will be a \$10 fee for all lost or damaged report cards.

Please note: A 24-hour notice is required for Transcript Request in case of transfer.

RULES OF CONDUCT

Lunchroom Conduct

- No hanging on tray bar
- Keep talking to minimum while in line
- No tipping in chair
- Allow for elbow room for yourself and your neighbor
- Ask permission to get out of seat
- Keep area neat and clean, clean up any messes you create
- No yelling or loud talking during lunch
- No throwing food

Hallway Conduct

- No running
- No loud noise or voices
- Keep hands and feet off walls
- Must have hall pass if in hall without teacher (grades 6-12 will have signed out from class instead)
- Students need to be especially quiet when passing the school offices

General Conduct

- Keep your hands to yourself
- No horseplay
- No hitting, pushing, kicking or throwing objects
- No playing or loud voices in restroom

Inside

- All locations upstairs except for areas used to attend music class and enter the gym
- Past the girl's restroom in the preschool hallway
- Other students' desks and lockers, teachers' desks, file cabinets
- Kitchen
- Other classrooms and closets besides your own

GUIDELINES FOR DETENTION

Detention does not start until the third week of each school year (first week for high school). We provide this time to allow for the learning of school and class procedures. The following actions may result in a detention.

1. Failure to complete homework two days in one school week
2. Repeated disobedience (talking, inattentiveness, disrupting class)
3. Lying
4. Disrespect to faculty and other students
5. Forgery of Signature
6. Inappropriate language or gestures
7. Failure to return a signed Detention notice
8. Cheating (both covertly and overtly)
9. Stealing (could result in suspension)
10. Fighting (most likely will result in suspension)
11. Defacing school property (could result in suspension)
12. Exchanging computer passwords
13. Violating *Technical Computer Usage Policy* (6-12 grade) (could result in suspension)

ACADEMIC PROBATION

Students in the Ignitia program will be put on academic probation if in a quarter they have failed to achieve academic balance in more than two subjects. Should the student have another quarter in the school year in which academic balance in more than two subjects is not achieved, the school may dismiss the student. If a student does not achieve academic balance for the year in more than two subjects that student may not be allowed to enroll for the following school year without consent of the school board.

PARENTAL INVOLVEMENT

Parent Orientation and Conferences promote good understanding between the parents and the faculty. We ask that every parent make a special effort to attend each one. Parent Orientation is held before school opens. Individual Parent/Teacher Conferences are held in the 1st and 3rd quarters.

School Conferences: NLCS teachers are always ready and willing to work with parents. We will answer your questions; return your phone calls, conference with you when the need arises. If the need arises, contact the classroom teacher to schedule a time to meet. Please understand that there are times when we will not be able to have conferences at class start time, during class, or at dismissal time. Classroom teachers are instructed not to conference with parents while other students are in their classrooms. We encourage parents to e-mail or call so that we may arrange a meeting.

DROP OFF

Before 8:15 A.M. all students must be dropped off at the east side entrance (green canopy) and report to the lunchroom. After 8:15 A.M. students in K-5th grade should be dropped off at the east entrance and report to their classroom and students in 6th-12th grade should enter the school through the far west lower level entrance and report to their classroom. Anyone arriving after 8:30 (K-12th grade) must enter through the east side. **Students arriving after 9:30 must report to the school office for an admittance slip prior to entering the classroom.**

PICK-UP

For safety reasons, no cars should enter the playground area designated by orange cones or the like.

Students in K-5th grade (that are not in After Care) should be picked up at the east entrance where they will be waiting with school faculty. Students in 6th-12th grade (that are not in After Care) should be picked-up at the far west lower level entrance where they will be waiting with school faculty. However, students in grade 6th-12th who will be leaving with a student in grades K-5th, may also leave from the east entrance. **If you are picking up prior to 3:30, please report to the school office to sign your child out. Do not go directly to the classroom. The office staff will get your child for you.**

RESTRICTIONS ON CHILD PICK-UP

It is our policy that students will only be dismissed to those individuals listed on the **Student Pickup Authorization List**. This is for our protection and yours. If you need to make changes on this form, simply let your child's teacher or the school office know so that your child's file can be updated. **If parents are divorced or separated with one parent not allowed to see or pick up the child, we must have a copy on file of the court order of Final Judgment.**

VISITORS

A visitor policy is important for your child's safety. The school staff, for protection reasons regarding various types of visitors, will carry through certain measures of precaution. Upon entering the building, **ALL** visitors (including parents and relatives) must immediately report to the office. This will provide needed protection and ensure the flow of classroom instruction will not be interrupted. If a parent needs to speak with their child, office personnel will inform the teacher so the student may be directed to the office. Parents or relatives wishing to eat lunch with their students are welcomed, but these arrangements need to be made through the office. Only on designated days will friends of students be allowed to visit during lunch hours and only with administrative approval. Students will only be allowed to leave school for lunch when accompanied by a parent or a relative the parent has given consent for. This guideline does not include lunch trips organized by school staff (i.e. field trips, senior class lunches).

ATTENDANCE

Students in attendance less than 3.5 hours will be counted absent for the day. Students in attendance for 3.5-6 hours will be counted absent for one-half day. Students in attendance for 6-7 hours will be counted present for the day.

Absences: When an absence occurs, we require communication by 9:30 am to the NLCS office from the Parent or Legal Guardian. Communication directly to the teacher by text or e-mail should be avoided.

Absences will be "**EXCUSED**" in the following instances:

- 1.) **Student illness** accompanied by documentation from a doctor.
- 2.) **Death** in the immediate family (parent, grandparent, sibling, uncle, aunt, cousin)
- 3.) **Approval by the Administration**

Eight unexcused absences in one semester may result in dismissal from school. Any student absent more than thirty days (combination of excused and unexcused) will receive a failing mark for classes taken that school year. If at this point dismissal from school was not warranted, the student will still be required to attend classes even though a passing grade will not be obtained. Any grading opportunity missed because of an unexcused absence will result in a loss of points earned on that particular grade. The amount of points lost will be determined by each teacher. Family vacations and trips should be scheduled during school vacations since it is often difficult for a child to make up work missed during an absence.

Please set appointments for times before or after school hours. However, if this is not possible and your child must be released from school, send a dated note with the time your child will be picked up.

Tardies: Tardies are disruptive to the classroom and also have an adverse effect on your child's educational process. Any student arriving between 8:30 & 9:30A.M. will be counted tardy. If arriving after 9:30, students must report to the school office for admission to class.

PLEASE NOTE: In one quarter

9 Tardies = written notice sent home

15 Tardies = family conference with the administration (admission to class will be granted after conference)

HEALTH AND IMMUNIZATIONS

NLCS is required by the Missouri Department of Health to have all students immunized. *Please check with your child's physician to make sure that he/she is current.* This should be completed prior to the first day of school.

ILLNESS

New Life Christian School desires to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases. The term "communicable disease" will mean an illness which arises as a result of a specific infectious agent, which may be, transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons. A teacher or administrative official who reasonably suspects that a student or employee has a communicable disease will immediately notify the Education Administrator.

For the welfare of your child and others at the school, all children who are sick must be kept at home. To prevent the spread of illness in our school community, we request that a child remain at home until they are without symptoms of illness. Should the illness include a fever, please keep your child at home for at least 24 hours after the fever has broke. When a child is well enough to participate in a normal school day, please send hat, coat, etc., as an aid to prevention of future illness. The classes do participate in outdoor activities each day, weather permitting. If a child is to receive medication during the school day, a parent must have on file in the administrative office, Authorization for Administration of Medication. This form is available at the school office. Over the counter medications must be signed for by the parent or legal guardian. The medication to be dispensed will be kept in the school office and administered according to the instructions. Medication must be properly labeled. If your child requires medication during school hours and we do not have signed authorization, it will be your responsibility to stop by and personally dispense the medication. The school cannot be held responsible to carry out these duties under this condition.

DISCIPLINE

Effective classroom discipline is a key ingredient for a good learning environment. Discipline at NLCS is not only to achieve this goal but also to help our students learn self-discipline and good character traits. In order to maintain a good learning environment, we expect students to conduct themselves appropriately. The teacher is responsible to maintain appropriate classroom behavior and will not tolerate unacceptable behavior. The following is not a complete list but is representative of unacceptable behavior: talking without permission, failure to complete assigned work, fighting, lying, stealing, disrespect, cursing, forging another person's name, cheating, deliberately damaging school and/or another's property, **and any form of classroom disruption**. NLCS anticipates full cooperation from both the student and the parent in the education of the student.

When misconduct occurs, corrective measures will be used to help the student change his/her behavior and attitude. Examples of typical corrective measures include time-out, student/teacher conference, loss of privileges, student/administrator conference, after school detention, parent/ teacher conference. A student assigned to a detention will be given a detention slip to inform the parent. This slip will indicate that action needs to take place at home so that the teacher's time is not consumed with addressing inappropriate behavior but rather academic instruction. This note must be signed and returned the next day the child returns to school. Failure to return the note will result in the doubling of the detention time up to two days at which time a conference with the administrator will occur. The same consequences will occur regardless of the reason (except medical appointments or emergencies verified by the parent and skipping) a student does serve the detention on the day designated.

This will be the case even if the parent is aware the student is not serving the detention on the designated day. All detentions must be served during after-school hours. Should a student skip detention, a conference with the

Principal and additional disciplinary action will occur. Skipping will have occurred should the parent fail to notify the school as to why their child did not serve the detention on the day designated. Students will be suspended for an accumulation of 8 or more detentions in a quarter. For major behavioral problems the administration reserves the right to address the situation as he or she feels appropriate.

When the school feels that student/parent cooperation is lacking, the student may be requested to transfer out. Also, if the behavior of the student indicates an uncooperative spirit, he may be requested to transfer out. *Attendance at New Life Christian School is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life at New Life Christian School.*

TELEPHONE / CELL PHONE USE

All phone calls will be made through the school office. This is limited to emergencies or unavoidable circumstances. Students will not be pulled out of class to receive phone calls. All messages will be given to your child through the school office. All routine business should be arranged before arriving at school. Cell phones will be allowed *but must be turned off between 8:30 and 3:30*. Any cell phone that rings or is visible or found being used during school hours will be confiscated and required to be picked up by the parent or legal guardian.

LOCKERS

Lockers for 6th-12th grade provide extra storage space for students. These lockers will require a lock for usage. All locks must be purchased through NLCS. Cost is \$5.00 deposit. Money will be refunded if locks are turned in at year end. Money will not be refunded for locks left on after the last day of school.

MEDIA- Videos and music, electronic devices, magazines, books, etc.

Use of these items requires the approval of the teacher and/or administration. Only originally recorded material will be considered. No home-created or other storage devices (removable hard drives, mp3 players, flash drives, etc.) Any unapproved material will be confiscated. Highly offensive items or material will be held by administration until a conference with the parents can occur. Students are not permitted to use electronic devices to tune into radio stations. No video cameras are allowed without administrative approval.

BAD WEATHER CONDITIONS

To alert parents of early dismissal or school closure, NLCS will use the SchoolReach system, KMOX, KSDK, KMOV and FOX news channels.

SCHOOL EMERGENCY

NLCS uses the SchoolMessenger system to alert parents of school emergencies, closings, reminders, etc. This is made available to those who have filled out the SchoolMessenger form. You are not automatically signed up.

ADDRESS OR PHONE NUMBER CHANGE

If a change in address, e-mail address, home, work or cell phone number has changed, please notify the school office.

FIELD TRIPS

The classroom teacher determines Field Trips after administration approval. A note will be sent home informing parents of the planned activity, time leaving, time returning and funds needed for the trip. The average is one Field Trip per quarter. We do not include the cost of Field Trips in tuition, so it will be necessary for you to pay for the expense on a per trip basis. Field Trips can average in cost from \$1.00-\$10.00. A variety of trips are taken during the year, both educational and entertaining. NLCS Field Trips are for enrolled students only. Chaperons are limited to parent/legal guardians only. Early dismissal after returning from field trips is not allowed without administrative approval.

WORK PROGRAM

No student will be allowed to arrive late or leave early to a job without administrative approval. Please see the Principal for a *Work Release Form* and further details.

RE-ENROLLMENT

Students are not automatically re-enrolled for the following school year. During the month of February, re-enrollment applications for the fall term will begin to be accepted. February 20 will be the last day to re-enroll with the guarantee of reserving a seat for the 2017-2018 school year. The administration reserves the right to deny re-enrollment for any reason it feels is justifiable. These reasons include but are not limited to finances, misbehavior, poor spiritual condition, and improper attitude. NLCS admits students of any race, color, and national or ethnic origin and makes available to every student all rights, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, and national or ethnic origin in administration of its educational policies, admissions policies, or other school administered programs.
